

Valid until 31 december 2019 - Ex-works prices - Prices excluded VAT

Architect **Michele Molino** / Designer **Giorgio Angelini** / Interior design **3 double cabins and 1 bathroom**

Overall length (9,98 m) / Beam (3,35 m) / Draft (1,98 m) / Displacement (3500 kg)

### CONSTRUCTION

Hull	Sandwich of vinylester, aircel and fiberglass, infusion process	•
Bulkheads	2 composite main bulkheads, 5 light plywood bulkheads	•
Frames structure	Monolithic fiberglass	•
Deck	Sandwich of Epoxi, aircell core and glass fabrics	•
Hull deck join	Structural glued	•
Finishing	White gel coat + anti-slip deck	•
Keel	Lead with stainless steel structure	•
Rudder	Stainless steel rudder stock, blade in vinylester fiberglass	•
Tiller system	Carbon tiller, JEFA bearings	•

### DECK EQUIPMENT AND RIGGING

Hatches	1 forward hatch	•
	4 hatches in the saloon and aft cabins	•
Deck gear	2 piano winches Harken 35 (self-tailing Radial - 2 speed)	•
	2 sheets winches 40 Harken self-tailing radial 2 speeds	•
	2 jib sheet tracks or 3D barber system	•
	1 mainsail track / Mainsail system with Flip-Flop Harken	•
	8 spinlock clutches	•
	Mast base blocks	•
	Jib foot blocks	•
	Small central pod for backstay, traveler and fine tune adjustment	•
Running rigging	Dyneema backstay, halyards and sheets, kit not installed	•
3 Chain plates	Stainless	•
4 Mooring cleats	2 forward, 2 aft	•
8 reinforced Stanchions and 4 forming pulpits	Stainless	•
Lifelines	Stainless	•
Storage lockers	Aft locker of 1000 Liter and side locker of 200 Litre for gas bottle	•
Aluminium Mast	Tube in anodized aluminium, standing rigging is stainless 1x19	•

### INTERIOR DESIGN

Entrance hatch	Vertical panel Forex 15 mm / Sliding panel plexiglass 12 mm	•
Cuisine furniture	Infused composite with cooler and simple sink	•
Chart navigation in infused composite and wood	Electric panel with 12 V socket	•
Ladder descent	Infused composite with engine access	•
WC/heads	Ultraight WC RM69 + grey water tank	•
Saloon	Seats with storage and 50 mm cushion	•
	Central folding table with storage	•
	Seat backs with storage at two levels (lockers and shelves)	•
1 Double forward cabin	With 50 mm cushion	•
2 Double aft cabins	With 50 mm cushion / or 1 cabin + technical area/space	•

### ENGINE / ELECTRICITY / PLUMBERY

2 Service batteries + 1 Engine battery	2 x 105 Ah / 1 x 75 A/h	•
Electrical installation and lighting	8 lights + USB outlet	•
Inboard engine Yanmar 15 CV saildrive	2YM15 – Rigid tank 30L + 2 Blade folding propeller	•
2 Fresh water tanks	2 x 30L	•
2 Taps (kitchen and bathroom)	Extendable tap head in toilet serves as shower	•
Bilge pumps	1 electric + 1 hand operated / Cockpit evacuation	•
Plastic valves	2 WC / 1 Toilet sink / 1 Kitchen sink	•
Navigations and anchorage lights	LED	•

**Basical price** shipyard delivery

**128.000 €**

## OPTIONS

### PERFORMANCE

Construction		
Epoxy construction + polyurethane painted finish	Hull and bulkheads	9.900 €
Hull preparation, epoxy and antifouling application		2.300 €
Composite bulkheads	Infusion vinylester aircell	4.800 €
Engine		
Engine Yanmar 20 CV inboard saildrive	3YM20-C SD25 20 CV	3.500 €
Folding Gori propeller two blades	Racing model	1.900 €
Throttle control Spinlock	Removable handle	1.700 €
Standing rigging		
Carbon mast	2 spreaders	20.000 €
Standing rigging dyform		2.700 €
Bowsprit 1300 mm	Carbon	2.400 €
Bow nose 300mm	Carbon	700 €
Spi pole	Carbon	1.700 €
Running rigging		
Regatta/performance race sails	Df Cross Cut - Main, J1, J2, Spi 1, Spi 2, A3, Storm jib	22.500 €
Fast cruising sails	Dacron triradial – Main, J1, Cod 3, Storm jib	13.000 €
Running rigging all dynema		3.000 €
Running rigging kit installed	with installation and matting (exclusive travel and accommodation)	2.000 €
Deck gear		
Winches 40/46 Performa	Harken (self-tailing Performa - AL/2 speed)	2.350 €
Light deck gear	Harken / Antal / Ropeye, without winches	3.800 €
Symmetrical spinnaker system	Gear + Uphaul + Barbers + Dyneema sheets	2.300 €
Asymmetrical spinnaker system	Gear + Tack + Dyneema sheets	2.300 €
Steering system		
Twin rudder option	Rudder stock stainless and JEFA bearings	5.200 €
Carbon construction of single rudder	Blade sandwich epoxy carbon and foam + Rudder stock carbon	3.700 €
Carbon construction (Two rudder optional)	Blade sandwich epoxy carbon and foam (with two rudders optional) + Rudder stock carbon	7.000 €
Plumbing		
Through hull fittings	Forespar Marelon 4 valves, flush mounting	1.300 €
Electronics		
Pivoting support (bracket) + Touchscreen HDMI	Black, white or hull color (Tablet, keyboard and mouse NOT included)	1.890 €
2 x hollows/holes for instrument built-in		800 €
Rudder quadrant for the driver	JEFA	300 €
COMFORT		
Inside equipment		
Bulkhead separating 2 aft cabins	Panel with hinges or fix	440 €
Seat at entrance over life raft storage	Carbon sandwich	1.320 €
Removable carbon sprayhood	Carbon sandwich	1.900 €
Cushion salon back seats	Upper Folding bunk with tackle	1.500 €
Kit interior textile	12 lights storage bags (request placed)	900 €
Kit de 20 pad-eyes textile à collar		440 €
2 x additional hatches aft cabin	For ventilation	600 €
2 x additional hatches aft cabin	For ventilation	550 €
Shelves in cabin	Each side	1.300 €
Lee cloths	2 in salon, with fixing system	600 €
Extra comfortable mattress	80 mm thickness	1.000 €
Electricity / Plumbing		
Battery charger 40 AH with earth connection		1.800 €
Removable bow roller on bow nose		800 €
Electric windlass		3.600 €
Freezer unit for cooler		1.200 €
Water heater	Iso Therm 16L	1.900 €
Oven with cardan		600 €
Cockpit shower		500 €
Sea water pump in galley	Pedal tap	500 €
Cruising tank capacity	2 x 60L	400 €
Outside equipment		
Rigid boom-vang	Barton	700 €
Bathing ladder	Cockpit balcony transformed in ladder	800 €
Stowage aft additional	Side locker port 200L	400 €
Transom foldable	Closing transom on stern	2.100 €
LOOK		
Customized colour in the rails and roof		3.000 €
Mast aluminium black	Anodized in black colour	1.800 €
Stanchions and pulpit/pushpit in black	Black colour painting	900 €
Mooring cleats recessed	4 pieces	750 €
EVA cockpit coating	UDECK foam	1.600 €
